SOME CELEBRATING
Religious and Patriotic Exercises At the Several Churches Sunday.
THE SMALL BOY'S NOISY PART
The Police and Bonfires. One Fire Alarm. A Few Accidents. Young Man Shot at Greylock. Another Shot In This City. None Seriously Hurt.

The Fourth was celebrated Monday in a very enthusiastic way. Sunday was quiet. The churches were patriotic. The Congregational Sunday school mixed patriotism with religious instruction and presented Representative C. Q. Richmond to make (an address. At the union service held in the Methodist church in the evening by the Universalist, Congregational and Methodist congregations the patriotic element was not omitted. Rev. Dr. George W. Brown and Rev. W. L. Tenney were in charge of the services. In the Baptist church in the evening attention was paid to the day. The pulpit was draped in the national colors and Rev. E. F. Osborne preached an appropriate sermon. A hymn, "Fatherland of the Soul," composed by Rev. Mr. Osborne for the occasion was sung to the tune of "America." In the afternoon the Young Men's Christian association held a patriotic service at the Grand Army hall. Secretary Lovejoy made a few remarks and turned the meeting over to Commander Tower who called on C. W. Dennett, George H. Keam, D. A. Anderson to make short speeches.
When the hour of midnight arrived the stores which sold fireworks opened their doors and the racket began. The boys were out in gangs with guns and the night was made sleepless by the cannonading. The police were kept very busy preventing bonfires in the public streets. One was lighted and burned fiercely at the monument; another begun opposite the Wilson was quickly extinguished by the fire department by order of the officers. Some rowdiness left traces of misbehavior in the morning, but nothing very serious was reported in the way of destruction of property. Monday evening was made lively with fireworks of the noisy and other kinds, but towards midnight the demonstrations died away.
Young Man Shot.
The first accident of the Fourth was reported Saturday night. John Levine, 18, son of John Levine of Greylock, accidentally shot himself and his companion, Eddie Blaisillon, 14, son of Edward Blaisillon, that evening. Levine was handling a small, 22-calibre revolver, when Blaisillon suddenly reached for it. Levine pulled back his hand and the revolver discharged. The bullet passed through Levine's forehead and imbedded itself in Blaisillon's right side. Dr. Galvin was called, and he summoned Dr. Dewey. The surgeons probed for the bullet in Blaisillon's side, but were unable to locate it. The boy did not appear to suffer as much as might be expected.
Hurt on the Electric Car.
Louis Trudell of North Adams was struck by an electric pole just west of Blackinton Monday evening while returning from Cole's grove on the electric car. He was riding on the foot board of the car and in spite of the usual warning of the conductor to "look out for poles" leaped out too far and received a cut on the head an inch long. Dr. Galvin attended and dressed the wound.
Minor Accidents.
Frank Kothum of Blackinton got his face burned with powder. Dr. Mignault attended.
Charles Craven, 20, of Vozie street was burned on the face, hands and eyes with powder from a giant firecracker. The burns were quite extensive and painful. Dr. John Riley attended.
The five-year-old son of Gardner Burdick of River street was burned in the face by powder from a pistol in the hands of another boy. Dr. Dewey was called.
O. D. Andrews of Williams street while firing off fireworks Monday evening burned his right eye badly. Dr. Dewey attended. S. W. Hannum while firing off a large fire cracker Monday morning sustained an injury to his right leg, a piece of the cracker embedding itself into the flesh. Dr. Dewey attended.
John Straum, 19, of Main street, was shot in the palm of the hand with a small revolver. The bullet did not perforate the hand. Dr. Dewey attended.

A Fire Alarm.
The only fire alarm of the Fourth was Monday evening, calling the department to put out a small blaze in the rear of Christie & Co.'s store on Main street. A paper balloon descended on a lot of boxes and ignited them. The promptness of the firemen saved much property.

A Motion for a New Trial.
The superior court resumed its sitting this morning at 9 o'clock and the case of John E. Burr against Fretts & Co., of Pittsfield for false arrest was resumed. All the rest of the remaining jury cases are on the short list and are in order.
The July grand jury comes in next Monday and there is quite a sizable list of business for their consideration. The most important case for the grand jury inquest will be that of Dr. R. F. Neenan of Dalton, who is held for infanticide, and is in jail.
Lawyer Marshall Wilcox has filed a motion for a new trial in the case of Tilton against the Boston & Albany railroad company on the ground that the verdict is excessive and was contrary to the evidence. The motion will be heard by Judge Bishop later on.

SOME CELEBRATING
Religious and Patriotic Exercises At the Several Churches Sunday.
THE SMALL BOY'S NOISY PART
The Police and Bonfires. One Fire Alarm. A Few Accidents. Young Man Shot at Greylock. Another Shot In This City. None Seriously Hurt.

The Fourth was celebrated Monday in a very enthusiastic way. Sunday was quiet. The churches were patriotic. The Congregational Sunday school mixed patriotism with religious instruction and presented Representative C. Q. Richmond to make (an address. At the union service held in the Methodist church in the evening by the Universalist, Congregational and Methodist congregations the patriotic element was not omitted. Rev. Dr. George W. Brown and Rev. W. L. Tenney were in charge of the services. In the Baptist church in the evening attention was paid to the day. The pulpit was draped in the national colors and Rev. E. F. Osborne preached an appropriate sermon. A hymn, "Fatherland of the Soul," composed by Rev. Mr. Osborne for the occasion was sung to the tune of "America." In the afternoon the Young Men's Christian association held a patriotic service at the Grand Army hall. Secretary Lovejoy made a few remarks and turned the meeting over to Commander Tower who called on C. W. Dennett, George H. Keam, D. A. Anderson to make short speeches.
When the hour of midnight arrived the stores which sold fireworks opened their doors and the racket began. The boys were out in gangs with guns and the night was made sleepless by the cannonading. The police were kept very busy preventing bonfires in the public streets. One was lighted and burned fiercely at the monument; another begun opposite the Wilson was quickly extinguished by the fire department by order of the officers. Some rowdiness left traces of misbehavior in the morning, but nothing very serious was reported in the way of destruction of property. Monday evening was made lively with fireworks of the noisy and other kinds, but towards midnight the demonstrations died away.
Young Man Shot.
The first accident of the Fourth was reported Saturday night. John Levine, 18, son of John Levine of Greylock, accidentally shot himself and his companion, Eddie Blaisillon, 14, son of Edward Blaisillon, that evening. Levine was handling a small, 22-calibre revolver, when Blaisillon suddenly reached for it. Levine pulled back his hand and the revolver discharged. The bullet passed through Levine's forehead and imbedded itself in Blaisillon's right side. Dr. Galvin was called, and he summoned Dr. Dewey. The surgeons probed for the bullet in Blaisillon's side, but were unable to locate it. The boy did not appear to suffer as much as might be expected.
Hurt on the Electric Car.
Louis Trudell of North Adams was struck by an electric pole just west of Blackinton Monday evening while returning from Cole's grove on the electric car. He was riding on the foot board of the car and in spite of the usual warning of the conductor to "look out for poles" leaped out too far and received a cut on the head an inch long. Dr. Galvin attended and dressed the wound.
Minor Accidents.
Frank Kothum of Blackinton got his face burned with powder. Dr. Mignault attended.
Charles Craven, 20, of Vozie street was burned on the face, hands and eyes with powder from a giant firecracker. The burns were quite extensive and painful. Dr. John Riley attended.
The five-year-old son of Gardner Burdick of River street was burned in the face by powder from a pistol in the hands of another boy. Dr. Dewey was called.
O. D. Andrews of Williams street while firing off fireworks Monday evening burned his right eye badly. Dr. Dewey attended. S. W. Hannum while firing off a large fire cracker Monday morning sustained an injury to his right leg, a piece of the cracker embedding itself into the flesh. Dr. Dewey attended.
John Straum, 19, of Main street, was shot in the palm of the hand with a small revolver. The bullet did not perforate the hand. Dr. Dewey attended.

A Fire Alarm.
The only fire alarm of the Fourth was Monday evening, calling the department to put out a small blaze in the rear of Christie & Co.'s store on Main street. A paper balloon descended on a lot of boxes and ignited them. The promptness of the firemen saved much property.

A Motion for a New Trial.
The superior court resumed its sitting this morning at 9 o'clock and the case of John E. Burr against Fretts & Co., of Pittsfield for false arrest was resumed. All the rest of the remaining jury cases are on the short list and are in order.
The July grand jury comes in next Monday and there is quite a sizable list of business for their consideration. The most important case for the grand jury inquest will be that of Dr. R. F. Neenan of Dalton, who is held for infanticide, and is in jail.
Lawyer Marshall Wilcox has filed a motion for a new trial in the case of Tilton against the Boston & Albany railroad company on the ground that the verdict is excessive and was contrary to the evidence. The motion will be heard by Judge Bishop later on.

A Quiet Day.

The celebration here Monday was very
quiet. The early morning was noisy with
the firing of cannon and fire crackers.
There were large bonfires in various parts
of the town but during the day nearly all
the people left town and it was very quiet.
In the evening some fine displays of fire
works were witnessed from the Brock
residence at Buena Vista and the Grey-
lock house. Poland Alley of Murray
street was a noisy place. Music from in-
struments of all kinds could be heard and
the ceaseless firing of army muskets by
the ex-military Polanders gave them
much enjoyment.

WILLIAMSTOWN.

On the Roll of Honor--Want a Colored Church--A Religious and Patriotic Service.

Want a Colored Church

Some of the colored people in town
want to establish a church to be devoted
especially to the use of colored people, and
a concert was given at Blackinton Friday
evening to raise funds for the purpose.
There is, however, a difference of opinion
as to the wisdom of the step. There are
those among the colored in town who
feel that their number is too small to war-
rant such an undertaking, and they ques-
tion whether it would be advisable even.
If this were not the case, they say they
do not want to see the line drawn here,
it is in the South, and as long as the white
do not attempt to do it they see no reason
why the colored people should. On the
other hand, there are some colored peo-
ple in town who came from the South and
they think they would feel more com-
fortable in a church of their own. What
the outcome of the movement will be can-
not now be stated, but the chances are
that not enough money will be raised to
insure its success at present.

On the Roll of Honor.

Chief Engineer Crozier of the fire de-
partment has placed Walter Bryant on
the roll of honor. This relieves Mr. Bry-
ant from his fire duty, but gives him all
the privileges of membership with the ex-
ception of voting. The step was taken on
account of Mr. Bryant's health, which
unfits him for active service, and is a
handsome and gratifying recognition of
the value of his services in the past. Mr.
Bryant and his friends greatly appreciate
this courtesy.

Religious and Patriotic.

A religious and patriotic service was
held at the Methodist church Sunday
evening, July 4, and was largely attended.
Addresses appropriate to the day were
made by Rev. Edward Wilson, Rev. A. E.
Hall and Superintendent Mitchell. The
music was in keeping with the other fea-
tures of the service, which was one of un-
usual interest to the large congregation.

Julius Pfau of Troy, N. Y., spent Sun-

day and Monday in town at the home of
his father-in-law, F. H. Daniels, where
his wife has been visiting for some time.

Darius Goodell of New Ashford and Israel
Hathaway of North Adams.

has been here for some time.

J. W. Bullock heard a quail whistling

last Sunday. The quail is a very rare bird
in these parts.

Liveryman McMahon did a good busi-

ness Monday. He sent two four-horse
teams to North Adams to help Mr.
Flagg, who had more orders than he could
fill, also a four-horse team to load to Ben-
nington, Vt., driven by William Drew,
and a picnic party was taken to Goodell
hollow, or Jerick, at South Williamstown.

Fires and Fire Protection in Vermont.

(From the Bennington Banner.)
The report of George H. Burch of Ben-
nington, statistician of the Vermont State
Firemen's association, will show the fol-
lowing conditions:

There are in Vermont 37 water works

systems covering 42 cities and villages,
which have a population of 134,093 and
grand list of \$708,240. Of these 17 are
owned by the respective corporations,
seven by private companies; seven not re-
ported. In addition to above, seven vil-
ages and towns with population of 8239
and grand list of \$33,676 have systems sup-
plying water for domestic purposes only,
and two others with 6136 population and
\$38,955 grand list have systems which
pump water into cisterns for fire purposes.

Of the 245 towns in Vermont 182 have

no fire protection; seven do not report,
and in the remaining 56 there are 62 or-
ganized and unorganized fire departments.

The 189 towns have a population of 156,-

293, a grand list of \$519,839 and in 1896 had
189 fires with a property loss of \$283,769,
and insurance loss of \$133,994.

In the 62 the population is 176,133; grand

list, \$1,016,496 and the fires in 1896 were
149; property loss, \$387,272; insurance loss,
\$223,695.

These figures are based on the census of

1890 and grand list of 1895. They show
population of state 332,421; grand list at
\$1,836,335. The fires in 1896, according to
L. S. Hayes, were 323; property loss of
\$621,071; insurance loss, \$307,689.

Dance Pavilion at Howe Pond.

Rufus Case is taking much pains to fit
up a dancing pavilion at Howe pond and
an opening will be held July 5. A dan-
cing platform 17x40 has been built and Mr.
Case has also added several new boats to
his abundant supply. A large party from
North Adams is expected at the opening
and an orchestra from that city will fur-
nish music. A small sum of money ex-
pended to fit up things generally at Howe
pond and a judicious amount of advertis-
ing would make this a popular summer
resort. Nature has done her share.

THE FORESTERS' EVENT

Big Day in This City Monday By County Courts.

FINE PARADE IN THE FORENOON

The Alerts of Adams Get Prize for Best Appearance in Line. Sports on Fair Grounds. Horse Race Breaks the World's Record.

The Berkshire county Foresters of America honored this city Monday by holding their first annual field day here. They found the people of this section very responsive to their desires and appreciative of the event they held for entertainment and profit.

The matter of holding the field day has been under advisement for some months and for an almost similar length of time the committee of arrangements has been at work preparing for the event. The success of the day compliments the judgment of the committee and the committee's efforts were satisfactorily rewarded by the large attendance. The field day was a success, not a phenomenal one, but a satisfying event to the societies under whose auspices it was held and to the large number of persons who gave it their patronage. Had the sun shown less fiercely than it did there would have been pleasant memories of the day and much more pleasure in its enjoyment, but the committee of arrangements and the spectators at the sports and viewers of the parade were alike powerless to alter the weather.

The Foresters made their first stroke for popularity in their parade in the forenoon. The parade was late owing to a misunderstanding with the Boston & Albany railroad. The success of the day was very much contributed to by members and efforts of Court Adams of Adams and when the special train, bearing the delegations from the southern part of the county, passed through Adams it did not stop much to the amazement of our neighbors, the Foresters. Station Agent Harrington telegraphed headquarters about the unexpected happening and in a very short space of time orders were issued for a special train to go from this city to Adams for the accommodation of the neglected hundreds that stood there waiting.

When the special bearing the large Adams delegation arrived the marching column formed and moved in the line of march. The column was of greater length than was expected, but its march was a little curtailed. The column consisted of Chief Marshal, William O'Brien of Adams; aids, Sherds Frink and Moloney of this city; platoon of police under command of Captain Parrow; St. Joseph's band, Pittsfield; Court North Adams, F. of A., North Adams; delegation from North Adams fire department; Citizens band, Williamstown; Court City of Pittsfield, Pittsfield; Court Waconah, Dalton; Court Ferncliff, Lee; Lafayette band, Adams; Alert hose company, Adams; Court Adams, Adams. The line of march was as follows from the monument: Down Main to Eagle street, Eagle to Centre, Centre to Holden, Holden to Main, Main to State, State to Summer, Summer to Church, Church to Main, Main to fair grounds.

A prize of \$25 was offered for the best appearing company in line, and as the line passed The Wilson it was reviewed by Col. F. S. Richardson, A. M. Tinker and E. J. Godfrey, who were chosen as judges to determine to which company the prize was due. The judges awarded the prize to the Alert hose company of Adams. The Alerts made a handsome appearance. They were dressed in the attractive buff uniform that has won them prizes before and each man had hold of a brand new rope that extended from the elaborate hose cart that brought up in the rear of the company. The hose cart was covered with flowers, making a very pleasing feature of the parade, and the company carried at the head of its line a large motto, "Alert 1." The Alerts were picked out by the spectators as well as by the judges as the best appearing company, for all along the line they were greeted with applause. Court City of Pittsfield showed its fraternity by the strength in which it appeared; Court Adams made a most creditable showing, both in numbers and dress, and the delegations from Courts Waconah of Dalton and Ferncliff of Lee attracted deserved attention though not so large in numbers as the others.

The Sports.

The sports were witnessed by a crowd estimated at 3,000, and the attendance would doubtless have been considerably larger if it had not been for the intense heat. It was an extremely uncomfortable day both for those who took part in the sports and the spectators.

A quail match was pitched by William Dalgleish and Alexander McDonald of this city against David Carduff and John Reich of Renfrew. The game took the attention of those interested in quails and was watched with interest from opening to close. The North Adams men won by a score of 31 to 27. The prize was \$10.

The free-for-all bicycle race was run by Phil Powers of Adams and Jarvis, Bartlett and Messier of this city. It was a one-mile race and would have been won easily by Powers if his wheel had not given out soon after passing the last quarter. He had trailed behind until the last quarter was reached, when he shot past the other three riders like a rocket. Jarvis took off him hotly and the other two were left well behind. On the home stretch Powers wobbled badly and just before reaching the wire Jarvis passed him by working for all he was worth. When they stopped it was learned that

The World's Record Broken By the Turners Falls Team.

The hose race was one of the prettiest and most satisfactory ever run in this city. The competing teams were the Shamrocks of Turners Falls, the John H. Ashie of Chiochose Falls and the North Adams team. Moses Nichols was hydrant judge and the judges and timers were P. F. Garvey of Pittsfield, William Mahan of this city and Sheriff William O'Brien of Adams. A. T. Lacey of Adams was the starter. The teams had to run 200 yards to hydrant, attach and lay 300 feet of hose, break coupling and attach nozzle. The Turners Falls team ran first and surprised everybody by accomplishing the feat in 38 1/2 seconds, thereby breaking the world's record, which was 39 seconds and a fraction. The North Adams team followed and its time was 39 1/2. Then came the Chiochose Falls team, which made a splendid run, but the pipeman fell when he attempted to attach the nozzle, and although he recovered with great agility the accident caused a serious loss of time and the company's record was 40 seconds. Everything connected with the race was fair and square, there was not a single "kick" and no occasion for one, and the crowd and the judges felt that each team had done itself proud. The prize was \$300 divided, \$175, \$75 and \$50.

DALTON FIELD DAY

Lieutenant Governor Crane Honored it With His Presence.

NORTH ADAMS ATHLETES VICTORS

A Kick Lost the Silver Cup to the Blackinton Baseball Team. Clapp's Band Was Prominent, North Adams Had Most Men.

The second annual field day meet of the Berkshire county Father Mathew societies was held at Dalton Monday, and was a successful affair. The day was perfect and the attendance at the park aggregated 3,000 people.

The procession formed in this order. First division, C. McCarty of North Adams, grand marshal; platoon of police, E. H. Pierce, chief; Clapp's military band of North Adams, 25 pieces; Dalton Father Mathew adeles, Richard Ponder, captain; Dalton Father Mathew temperance society, 70 men; J. Dyerin, leader; Dalton St. Agnes guards, 21 boys, captain John J. McManus; Marine drum corps of Pittsfield, 12 men, William Keegan, leader; Blackinton Father Mathew society, John H. Mahoney, president, 40 men; North Adams Father Mathew society, John Barrington, president, 18 men; Blackinton drum corps, 16 men; Adams Father Mathew society, Thomas McGrath, president, 50 men; Hinsdale cornet band, 16 pieces; George Welch, leader; Hinsdale Father Mathew society, John Carroll, president, 60 men; Pomerooy's drum corps of Pittsfield, 16 pieces; Pittsfield Father Mathew society, S. W. Monks, president, 30 men; carriage with Lieut.-Gov. Crane, Rev. D. F. Cronin and Rev. James Fendergast; carriage with Dalton selectmen.

Reaching Pine Grove park, the first on the line of sports was the baseball game between Blackinton and Pittsfield Father Mathew society teams. Six innings were played, the score being 7 to 5 in favor of Blackinton, but they refused to play longer. A kick ensued and the umpire, John Davis, gave the game to Pittsfield, 9 to 0, winning the silver cup.

Following the athletic sports came the ball game between the Dalton Father Mathew team and the Ecosick Falls team, and it was an easy victory for the latter by a score of 19 to 6. The prize was a gold-headed umbrella. Clapp's band of this city furnished excellent music at the park during the day.

The sports in which the North Adams athletes came out signally victorious were as follows:

Running high jump—Won by Patrick Malloy of North Adams; Thomas Riley of North Adams, 2d; height, 5ft 4in.

Running broad jump—Won by Thomas Riley of North Adams; Patrick Malloy of North Adams, 2d; distance, 18ft 8in.

Pole-vault—Won by Richard DeBarth of Adams; David Gorman of North Adams, 2d; height, 9ft 5in.

Putting 16-pound shot—Won by Thomas Riley of North Adams; Richard DeBarth of Adams, 2d; distance, 30ft 6in.

Hop, skip and jump—Won by Thomas Riley of North Adams; P. J. Malloy of North Adams, 2d; distance, 41ft 2in.

Half-mile run—Won by Hugh Quinn of Dalton; Thomas Linskan of North Adams, 2d; time, 2m 28s.

220-yards low hurdle race—Won by D. V. Reagan of North Adams; Frank W. Wright of North Adams, 2d; time 32s.

THE SCORE WAS 10 AND 10.

But the Moral Victory Rests With the Transcript Baseballists.

There were many games of baseball on many fields Monday, but there was one on Lawsonian field at 4 o'clock, a. m. between THE TRANSCRIPT Artists and Furniture Mufflers that was unparalleled in all the land from San Francisco to Boston. Nine inning and more were played in three and the score was 10 and 10, though a revised score makes an honest count of 11 for THE TRANSCRIPT aggregation and 10 for the Mufflers. The moral victory was THE TRANSCRIPT's, though not quite up to its boast.

The features of the game were as follows: Worst feature, the absence of that keg of "arnica" at third base; second worst feature, no ball knocked as far as Harry Donahue's; third worst and meanest feature, Umpire John Mulaney's being in cahoots with the Furniture Mufflers and roasting the Artists; fourth worst feature, Capt. Duffy Burdett's refusal to play off the tie. The grand features were: D. J. Finnegan's football playing and sand digging on a short infield hit in the third; Williams' grand tumbling act for a ball somewhere under him on second while an Artist ran safely from first to second; the magnificent all round base-giving and wild-throwing work of Artists Mosher and Martin; the superb pitching of Burdett; and the everlasting kicking of Reinhardt. The umpire's work was ignominious throughout, and unjustly he escaped a lynching. The score follows:

Innings,	1	2	3-9
Artists,	9	0	1-11
Mufflers,	3	4	3-10

Hits, Artists 43, Mufflers 6; errors, Artists 0, Mufflers 25; earned runs, Artists 11, Mufflers 0 (all 10 stolen); best player for Mufflers' side, Umpire Mulaney; best player for Artists, S. S. Joy who occupied a seat in the grand stand. Attendance, less than 2500.

Trained Dogs and Ponies.

One of the most interesting shows on the road is Norris Bros. Peerless Dog and Pony show which will be here Wednesday and Thursday, July 7 and 8. There is no more enjoyable or attractive amusement than a trained animal show when the actors have been trained by kind treatment and go through their performance willingly and cheerfully. Such is said to be the case with Norris Brothers collection of over 100 trained domestic animals which includes Sledland Ponies, Donkeys, Dogs, Gonts and Monkeys, all of which have been trained to take part in a long program, showing an astonishing development of faculties and presenting scores of acts one would suppose they never could be made to understand and execute. They go about their duties with ease and readiness imitating their human superiors with such accuracy as to afford ample cause for mingled astonishment and mirth. The show is of a kind that is exceedingly enjoyable to children.

The Rescue Mission.

Services have been resumed at the rescue mission on Marshall street and meetings are held every evening at 7.30 o'clock. Miss H. S. Paine of Providence, R. I., is now in the city and is conducting the services. She is an experienced evangelist and a good speaker, and considerable interest is being awakened.
